INTERVIEW SUMMARY

Applicants wish to thank the Examiner for conducting the telephone interview of July 1, 2003 with the undersigned. Applicants questioned restriction at this late point in prosecution with respect to claims which have already been examined by the Office. The Examiner indicated the amendment in the last Office Action necessitated issuance of the restriction requirement. The Examiner indicated he does not know if any claims are allowable. Applicants submit the response to the restriction requirement herewith.

The Examiner is requested to phone the undersigned if the Examiner believes such would facilitate prosecution of the present application. The undersigned is available for telephone consultation at any time during normal business hours (Pacific Time Zone).

Respectfully submitted,
